Thank you for your interest in the City of Richmond's Bench and Picnic Table Dedication Program.

Completed forms can be returned to the Parks Department via email or mail.

Please check our website for an updated list of available locations:

<https://www.richmond.ca/parks-recreation/parks/programs/dedicate.htm>. To inquire about availability of the bench or picnic table you wish to dedicate, please contact us before you begin the application process. Once an agreement on location has been reached, payment will be required in order to reserve the location. Please note that applications will be processed in the order they are received. While staff will collaborate with you to find an available location in your preferred area, please note that new dedication sites are only added as new parks are developed or existing parks are redeveloped. Placement of benches and picnic tables has been predetermined to meet the overall needs of our parks system and we may not be able to accommodate all requests.

If you have any further inquiries, please contact Parks Programs at 604-247-4453.

Yours truly,
