Public Art in Richmond has truly blossomed since the founding of the Program by City Council in 1997. We are proud to be home to a wealth of signature artworks identifying Richmond's dedication to creating a vibrant city in which to live and visit. Use this brochure as a guide to visit some of our public art works in City Centre/Brighthouse Village. Throughout the city, you will discover public art integrated into parks, architectural facades, on the grounds of civic buildings and along the Canada Line skytrain stations.
